

Schiff Hardin's National Class Action Litigation Practice

In class action and other complex litigation cases, a business wants to be assured that it will receive **the very best, most effective representation**, but **without breaking the bank**. We provide just that at Schiff Hardin.

We have an **exceptionally talented, deep and experienced team of litigators** who concentrate their practice in defending businesses against class actions and other complex litigation. We do that everyday on dozens of class actions in state and federal courts spanning the country.
