Sacha works closely with the Chief Human Resources Officer to develop and implement HR strategies and solutions that align with the firm's business objectives. She is passionate about the impact HR professionals can have on an organization and works alongside the HR team to foster an environment where employees feel challenged, supported, and valued. She is dedicated to helping foster a culture where collaboration, commitment to excellence, and a duty to both teach and learn, all collide in an environment where everyone counts.

** Sacha is not a member of the legal practice.*

Experience

Sacha has over 25 years of law firm experience across multiple administrative departments including Conflicts, Information Technology, Learning and Development, and Human Resources. She is a leadership development Coach and certified DiSC assessment facilitator.

She earned her MBA and MS from the University of Maryland, University College, and her BS from Howard University.
